**ORDER CONDITIONALLY APPROVING SETTLEMENT AGREEMENT**

On October 29, 2002, at a regularly scheduled work session, the Montana Public Service Commission acted on the settlement agreement that was filed for Commission approval in the above captioned dockets.

The settlement agreement filed by Ronan Telephone Company and Blackfoot Telephone, which resolves the outstanding issues in PSC Dockets D2000.1.14 and D2000.5.63, is approved subject to the following conditions:

1. Subsequent approval, after notice and an opportunity to comment period is provided, of a compliance tariff, which shall be filed by the parties and shall incorporate the terms of the settlement agreement; and

2. The parties may not by contract agree to circumvent applicable laws and regulations. Any governing statute, administrative rule or PSC Order will control the issues presented in this settlement agreement.

3. The PSC does not by approving this settlement agreement authorize or approve of any waiver of legal rights and obligations. This Order conditionally approving the settlement agreement closes D2000.1.14 and D2000.5.63. The parties are not precluded from raising the issues presented in D2000.5.63, originally D2000.2.27 Second Cause of Action, before the Commission in a separate proceeding.

4. Upon filing by Ronan of a compliance tariff that incorporates the terms of the July 12, 2002 settlement agreement, the compliance tariff will be noticed for comment. The conditional approval herein will not be made final until and unless the Commission issues its approval of the compliance tariff after considering any comments received in response to the notice.

DONE AND DATED this 29th day of October, 2002, by a vote of 4 to 0.
